Shortcut Routing Adopted By State Highway System

The California Highway Commission today adopted a routing for Highway 267 in its entirety on the alignment of the existing roadway between Route 80 near Truckee, Nevada County, and Route 28 near Kings Beach, Placer County, a distance of 12.7 miles.

This route was added to the state highway system by the 1965 legislature.

The existing highway is a conventional two-lane facility with a roadway width varying generally from 24 to 32 feet. The first half-mile was recently constructed as part of an Interstate 80 Interchange.

From this point, the road continues for 0.8-mile through Truckee, crossing the Southern Pacific Railroad tracks and the Truckee river on portions of old U. S. 40 and County Road P50.

The remaining 11.4 miles to Kings Beach have been reconstructed to modern federal aid secondary county road standards in a series of contracts dating back to 1960.

Tahoe Chamber Seeks Road Repair

SACRAMENTO — (CNS) — A plea for improvement of the highway from Squaw Valley to Tahoe City to 1965 standards was made to the California Highway Commission by representatives of the north Lake Tahoe area at a meeting here last week.

State Senator Paul Lunardi, Roseville, told the commission the need for improvement is important. He cited the fact that the highway from Sacramento to Reno, Interstate 80, has been improved to a modern freeway, and that from Truckee to Squaw Valley, the route has been modernized.

However, the nearly five-mile stretch from Squaw Valley to Tahoe City at the north end of Lake Tahoe remains as a "1930 highway in this year of 1965."

Jack Domergue, president of the North Lake Tahoe Chamber of Commerce and David Stollery, businessman of Tahoe City, both voiced arguments in favor of improvement.

The commission was told many conventions are moving into Squaw Valley, which does not have the capacity to take care of the influx. Consequently, more use in driving back and forth from Tahoe to the valley is made of the road, which, it was pointed out, is inadequate to handle normal 1965 traffic.

"It's like bees trying to get in and out of the neck of a bottle," said one representative of the area.

The commission took the plea under advisement, with the statement it would move as soon as possible on the improvement.

FIRE FINES FEATURE ACTION IN COURTS

Unattended campfires and fires built without the required permit have resulted in a number of citations by patrolmen of the U. S. Forest Service in this area.

Ethel McNeill of San Francisco was fined in the Truckee Judicial District Court by Judge Fosten Wilson for building a fire near Prosser without a permit.

A similar fine was imposed against George C. Spence of Magalia when he appeared before Judge Robert Fugazi in the Tahoe Judicial District Court charged with leaving a fire unattended on McKinney Creek.

Gary Brines was the guest of honor at a barbecue supper party attended by 50 friends and relatives, at the Brines ranch, before his departure for Lackland Airforce base where he will undergo basic training.

Brines expects to have 32 weeks of missle guidance school and previously passed an electronics test. He has been a student at Foothills College in Mt. View.

Youth Expires To Attack After Run At High School

Tragedy marked the opening weeks of Tahoe Truckee High School's physical education department Friday when a 16 year old sophomore, Charles Lane, collapsed and died at the athletic field following a distant run.

The youth, son of Mr. and Mrs. Harry Allen Lane, who operate the Hideaway Trailer Court at Tahoma in El Dorado County, apparently succumbed to a cardiac arrest. Coaches at the scene administered all possible first aid but the boy was pronounced dead on arrival at the Tahoe Forest Hospital.

The Lanes, together with Harry Lane's father and mother, Mr. and Mrs. Harry Lane, Sr., had operated the court at Tahoma for the past 19 years during the summer and this year was the first they had decided to remain there from their Sacramento home.

Harry Lane, Jr., was a commercial photographer.

The young victim is survived by his parents, grandparents and a brother, Norman all of Tahoma.

Funeral services were held Tuesday at 1 p. m. in the Truckee Colonial Mortuary Chapel with Rev. William Marx of the Community Methodist Church officiating. Interment was in the Trails End cemetery at Tahoe City.

Because of the sadness of the event, the freshman dance scheduled at the school Saturday was cancelled.

Dennis Douglas Is Sierra Track Star

Tahoe-Truckee runner Dennis Douglas, running cross country for the first time, led all finishers last week in time trials at Sierra College, Coach Ken Hashagen reported.

Douglas ran the three mile plus course in 17:35, with sophomores Bob Barker, Auburn, and Bob Seals of Chester second and third. All three finished in faster times than any of last year's competitive time trials.

Other runners included Jesse Taylor, Steve Duff, Knut Olberg, Pat Sullivan, Walter Legg and Frank Self. Hashagen expects this year's squad to improve on the teams performance last year, when Sierra was eighth in the 22 college northern California JC meet.

Driver Killed When Car Plunges Off Road Near Here

Robert Milton Sweeten, 44, Fremont, was killed instantly Tuesday at 10:30 a. m. when his car left Interstate 80 two miles east of Hirschdale and plunged down the grade 70 feet, landing on old Highway 40 below the freeway.

Officers investigating the accident said that the driver apparently fell asleep. The car left the roadway nearly 500 feet from where it stopped in the plunge down the mountainside.

Sweeten was alone in the car and traveling east. There were no skid marks to indicate any effort was made to avoid the mishap and the car was apparently going at a moderate speed.

The body was taken to the Truckee Colonial Mortuary.

TAHOE VISTA—Funeral services were conducted at the Chapel of the Hills in Auburn at 2 p. m. Monday, with Rev. William Marx officiating, for Karl O. Harried, 66, well known Tahoe Vista resident for the past 15 years who expired Friday in an Auburn hospital.

Registration Survey Started By Group

Members of the Donner Area Junior Chamber of Commerce Tuesday evening started their month-long project of registering and reregistering all voters in the area.

The work is being done on a house-to-house basis so that no one will be overlooked. The project was started after the members were instructed and sworn in as deputies registrar by County Clerk Theo Kohler who was here last Thursday at the chamber meeting.

All residents of the Gateway Park area will be reregistered to comprise a new voting precinct.

SUNBEAMS

By WALTER M. BARRETT

It is no longer a question of whether or not funds will be provided for completion of the Tahoe Forest Hospital, but when they will be forthcoming. In calling a second bond election within two months, the governing board took the only action possible if the new wing and alterations on the present plant are to be completed. Indications are that building costs will not go down, but will continue to increase as time goes on. In the last election on August 31, the voters failed to give the bond issue the required two-thirds majority by a slim margin. The directors are hopeful that this shortage of 67 votes can be overcome in the November 23 balloting. Opponents to the bonds have expressed a variety of reasons for their stand, but none can deny the urgent need for financing if the project, now well under way, is to be completed to provide the important facility for the district.

Rates At Course Are Lower For Season

Golfers are being invited by Alex Stewart of the Ponderosa Golf Course to take advantage of the fall rates which are now in effect.

The all-day greens fee has been reduced to $3 and the new electric carts are being rented for $7 for the 18 holes.

Stewart said he was reducing the rates as a gesture of appreciation to the golfers throughout the area who have made this the best season ever at the Ponderosa. The course will remain open as long as weather and playing conditions permit, Stewart said.

Home Is Sought For Death Victim's Dog

Mr. and Mrs. William Rapier of the Truckee Colonial Mortuary are attempting to find a good home for a good dog.

When Raymond Tryon of Fresno expired to an apparent heart attack beside his car near Boca recently, he left his pet wire-haired male dog in the car and Rapier took charge of the animal which he describes as intelligent, well trained and adorable.

Relatives contacted, Rapier said, indicated they would take the animal and discard it along the highway to get rid of it. This, Rapier said, he objected to and offered to find a home for the animal.

"If we didn't have three dogs now," Rapier explained, "we would keep him, but under the circumstances we want to find him a good home."

Plan Is Advanced For Construction Of Arena At Park

At a joint meeting of directors of the Truckee Donner Horsemen's Association and the Truckee Donner Recreation and Park District last week, plans were furthered for the construction of a rodeo arena at the new recreation center on the Brockway shortcut just south of the Truckee river.

The meeting was presided over by Dr. H. P. Tapia, chairman of the recreation commission.

The arena, if present plans are carried out, will be under the direction of the recreation commission with the Horsemen providing much of the work in the construction, Frank Snyder, president of that organization explained.

Under present plans, Snyder said, the arena will be designed to provide a rodeo in the fall of each year where the annual Donner Memorial Wagon Train will terminate its trip. A rodeo, sanctioned, if possible, by the National Rodeo Association, will be held.

Because of his active interest in such programs, the proponents of the plan, will dedicate the arena to the late James McIver and it will be known as the McIver arena.

It was made clear that the county will not attempt to purchase the land, but will merely work as a go-between in attempting to line up the sale to an unformed special assessment district.

STATE BOARD DENIES CLAIM

SACRAMENTO — (CNS) — The state board of control had denied a $250,000 claim against the state by the Placer County Water Agency because of the breach of the Hell Hole dam during last December's flood storms.

The agency said it was the target of a number of suits because the dam broke and asked the state to indemnify it.

The board also denied a series of claims totaling some $275,000 from persons who had paid the state for costs of care of patients in mental hospitals. The state supreme court, in the Kirchner decision, has ruled that the section of law providing for collection of costs of patients care in state institutions was unconstitutional.

The claims denied by the board were for care costs paid before the decision was handed down by the court. The board said it would be up to the courts to decide if the state was liable for costs paid before the law was held to be unconstitutional.

Oysters may star on the barbecue grill at the proper season. Arrange on a cooking rack with the short-hinged shell on top. When they open give them a couple of minutes to cook, then serve hot with lemon butter sauce and horseradish.

Letter to the Editor

Dear Editor:

Perhaps it is time for the people of this district to take a long hard look at what is happening in regards to our hospital and its future.

A statement that the hospital is in a "mess", is unrealistic and not based on fact, unless the person making the statement accepts the responsibility of publicly listing specifics, and is prepared to back them up. If they cannot do this then their statement reverts to backyard gossip and exaggerated rumors. This can do tremendous damage to the morale of the families using the hospital and the personnel who work there.

Our hospital is operated like any large corporation in the degree it employs human beings. Doctors, nurses, staff, all have families, and problems, and mothers-in-laws too. Their working conditions are like ours, and often more frustrating for lack of adequate facilities. The hours they must work and the emotional impact their work demands should certainly be considered.

The medical profession and inner workings of a hospital have been built up by the layman as a romantic, mysterious dedicated, martrydom type operation. This image can exist better in a large metropiltan hospital where the only person they know is their doctor. But this being a small town presents unique living conditions. We literally live hand in hand with the personnel, and are too quick to criticize without all the facts.

This hospital is the only one we have or can have. To destroy it or hamper its progress with unsubstantiated rumors and viscious gossip is doing a severe disservice to every member of this community and the tourists who must use its services.

So let's evaluate the situation honestly. The ultimate goal is a "complete' facility for all of us to use. So let's get on with it.

First Grade—Miss Bean: Bacci Perata, David Onorato, Cherie Hoff, Tamara Williamson, Mark Gregor, Laura Hendrix, Larry DeWalt all made 100 per cent and stars on the first vocabulary test at the end of their first pre-primers.

Second Grade—Mrs. Steinhauser: The class welcomed a new member, Julie Schaumann.

Perfect papers in a very difficult math paper were: Kathy Hicks, Liz Rogers, Steven Ross, Leslie Garnett and Carrie Hanson.

Second Grade—Mrs. Read: Perfect spellers last week were Tim Hauserman, Wendell Stacy, Jerome Barulich, Bill Money, Chris Collins, Pete Diurni, Rookie Holbrook, Chris Hodgkins, Cindy Hoff, Patty O'Grady, Kim Pier, Lynda Prouty, Cindy Collins, Brad Dutton, Mandy Ballenger, Lorene Davis, Margaret Nash, Karen Jones, Pam Nored and Jeanne Nichols.

President last week was Mandy Ballenger. Her helpers were Rookie Holbrook, Lorene Davis and Patty O'Grady. Ball monitors were Margaret Nash and Steve DeWalt. Librarian was Karen Jones.

Third Grade—Mrs. Carnell: The third grade class went on a nature hike Friday and saw many interesting things.

Some outstanding class dinosars have been molded by the boys and girls.

Third Grade—Mrs. Long: The children who received 100 per cent in their final spelling test last week were, Robert Atwater, Mark Briner, Dennis Burkhart, Steven Fitzsimmons, David Gau, Colleen Conners, Karen Duttweiler, Deborah Grahn, Carol Ann Hardin, Michelle Meyer, Penny Nichols, Cheryl O'Briein and Susan Wright.

Fifth Grade—Mrs. Kelly: In our first science test this year Patti Tilton, Karen Read, Arlene Orr, Billie Menges, John Lundgren and Dee Ann Cline received A's while Rickie Baker missed one and got a B-plus.

Some fine art papers were turned in by Rodney Wilson, Gena Rusch meyer, Mark Davis, Karen Read and Arlene Orr.

Fifth Grade—Mrs. Diurni: Mark Swan conducted a good class meeting Friday. Lisa Vanni, secretary, read the minutes of the last meeting. Blair Beck, Mark Novak and Bill Anderson reviewed three books they thought other class members would enjoy.

Big news in P. E. is a new game called "Soak 'em". Players need skill in catching a volley ball. Ken Nichols, Mark Novak, Brad Jorgensen and Gary Meline are really good catchers but Kelly's 5th grade really soaked us at Friday's room against room game. We'll try to "soak 'em" next week.

"Studious Students" who got 100 A in Unit 3 spelling were Danny Hauserman, Sandy Keechler, Sonya Kimball, Mark Novak, Marcine Paterson, Leslie Ross, Mark Swan and Lisa Vanni.

Sixth Grade—Mrs. Rogers: We had elections and our new officers are Eddie Conners, president; Garry Modlin, secretary-vice president; Charlene Keehn, treasurer.

Our new class officers for this report card are: president, Jeff Ballenger; vice-president, Greg Jones; secretary, Scott Jorgensen; treasurer, Robert Rarwin.

We are proud to announce that the new commissioner of boys' athletic is a member of our class. Congratulations, Mike Bechdolt, on your election to an important student body office.

Our spelling honor roll had many names on it last week. Congratulation to Joella Moe, John Attardi, Jeff Ballenger, Mary Ann Barulich, Robert Barwin, Colleen Buffo, Steve Cotten, David Burkhart, Sharon Dambach, Rena Francovich, Clayton Greenwood, Greg Jones, Scott Jorgensen, Robbie Marr, Karen Motta, Karen Mullen, Sandy Morse, Nancy Newell, Judy Price, Ricky Prouty, Mia Oudegeest and Steven Stiles.

Perfect spelling papers were turned in by Mitch Packard, Mary Nash, Bill Moyer, Kevin Kehoe, Robbie Easton, Marge Balling and Gail Cotton.

Seventh Grade—Miss Bowerman: Susan Anderson, Yvonne Baker, Anne Dodge, Patty Ely, Doug Kelley, Jennine Michener, John Motta, Cathy Osincup, Carol Pelletier, Lynn Quinan, Kathy Stormer, Mike Thayer, Susan Terry and Kathleen Humphreys all received A's in spelling last week.

Many of the students have started projects on the study of Greece. We have John Motta, Julie Gehlert and Kathy Humphreys, Steven Henrickson, Rick Michener, Susan Anderson and Susan Terry, Carol Pelletier, Ann Dodge and Suejean Ransom.

Eighth Grade—Mr. Steinhauser: Maps of the early explorers were graded and returned. Those doing a fine job included Sharon Christensen, Mary Hauserman, Dave Intorf, Leslie McBride, Nikki Ballenger and Dorothy Pomin.

In Mr. Brower's arithmetic class the test grades were high. Earning A's and A minus grades were Mitch Packard, Robbie Easton, Bill Moyer, Lenell Topol and Paula Henrikson.

Kings Beach Student Body News: The year was started off with a well-run meeting conducted by President Gary Price. After Secretary Gary Martin read the minutes, the president's ball was announced by Chairman John Gorrindo. The meeting was turned over to Pat Plevel, chairman of the election board who introduced each candidate and campaign manager.

Running for treasurer were Jeff Liddle, Paul McDown and Debbie Westlund. The candidates for sec-

"To create the love of music in a child ...is an artist's finest reward!"

No artist is better qualified to speak such words than Carmen Dragon, conductor of the Standard School Broadcast, heard by millions of children in their classrooms, and adults in their homes, on Thursdays throughout the school year.

"What a thrill," says Dorothy Warenskjold, "to open a world of music to American children" . . . "It is a wonderful privilege to share in this creative work," says Paulena Carter . . . "The child with a love of music grows into a richer person," says Norma Zimmer.

For these stars of opera, concert, radio and television, as for *many* others, the Standard School Broadcast helped to start their present successful careers. They have performed regularly since, with enthusiasm.

These distinguished artists are only a few of hundreds who have made this unique program, from opera to folk music to symphony to jazz, an American educational asset. They gladly take time from their busy lives to perform with Standard Oil because... "To create the love of music in a child is an artist's finest reward."

"We Are Americans," the 38th annual Standard School Broadcast radio series, begins October 21, 1965. Please consult local papers for time and station.

Just as they learn the appreciation of music, young people also learn that the man at the Sign of the Chevron means friendly service to the family car.

The supervisors are visiting the North Shore area this week and it is hoped they will be favorably impressed with the project which the club is undertaking.

Planning and zoning will be the main projects of the club this year according to Don who would welcome the support of all residents of the area.

The Tahoe Sierra Board of Realtors elected Don Beck president at their meeting last week. The two main interests of the realty board are planning and zoning. Inasmuch as the Community Club is also interested in these phases of the area, Don should be twice as effective as president of both organizations. Our wishes for a successful year and the backing of the community to Don.

We are sorry to learn that the nieces of Barney and Eileen Wilen of Kings Beach were injured in the tragic accident that took the life of one man, Dennis Hull of Sacramento the first of the month. John Hazard of Stockton was less seriously injured in the accident that hospitalized Dorothy and Eloyse Bailey of Santa Rosa. The girls spent the summer with the Wilens. Both girls were seriously injured and Eloyse will be hospitalized for an indefinite time.

DID YOU KNOW...
IF THE U.S. CHANGES THE SILVER CONTENT OF ITS COINS, ONE CRUCIAL PROBLEM WILL HAVE TO BE RESOLVED - THE NEW COINS MUST HAVE MAGNETIC PROPERTIES SIMILAR TO THE OLD SO THEY WILL WORK IN THE NATION'S 4.5 MILLION COIN-OPERATED VENDING MACHINES.
ONE ANSWER TO THE COIN SHORTAGE CAUSED BY THE CIVIL WAR WAS THE ENCASEMENT OF POSTAGE STAMPS IN SMALL HOLDERS THAT COULD BE CIRCULATED AS MONEY.
MAN'S FIRST USE OF MONEY WAS IN SPECIAL OR TRADITIONAL TRADE TRANSACTIONS SUCH AS THE SELLING OF BRIDES, MAKING RELIGIOUS SACRIFICES, PAYING DUES TO SECRET SOCIETIES OR PAYING RANSOMS.

MAN HELD FOLLOWING DISPLAY OF WEAPON

James Lynn Jackson, alias James Dupree, 39, was being held on a charge of being intoxicated while officers investigated a more serious charge of assault with a deadly weapon as the result of an altercation at the Pastime Club Friday night.

Grant H. Wegworth, employed at the club, told Deputy Davis Eaton, who made the investigation, that Jackson asked him to come into a rear room as he wanted to talk to him. When they went into the office Wegworth told Easton, Jackson pulled a gun and said he was going to shoot him.

Wegworth grabbed Jackson's arm and took the pistol away. Other witnesses, Bob Ryan and Jack Cavender said they saw the alleged attack, Eaton was advised.

retary were Debbie Bell and Bonnie Weber. Jan Achziger, Dona Beck and Scott Hawkins next spoke for the office of vice-president.

Linda Thompson introduced Lana Hill, John Gorrindo, Gary Martin and Susan Leon, Gary Price as contestants for top honor of president.

After the campaign speeches, each of the runners for president explained one of the three propositions for amendments which will also appear on the ballot. The first two have to do with giving the chairman of committees and fourth and fifth grade representatives a vote in student council while number three limits eighth graders to run only for the office of president during their last semester.

Voting was held Thursday under the direction of the election board consisting of Paul Lee, Kristen Rutledge, Randy Austin, Richard Olson, Vickie Hamilton, Corey Wills, Meg McDonald, John Tribuzio, Sue Stankevich, Mark Liddle, Neva Henderson and Pat Plevel.

The winners announced at the president's ball were President, Gary Martin; vice-president, Jan Achziger; secretary, Bonnie Weber; Treasurer, Debbie Westlund.

Also, the proposition that committee chairman shall have a vote passed with 87 yes to 15 no. The other two had more yes votes than no, but did not receive the necessary two-thirds majority.

Color and crunch are the two key words in planning an appetizing menu around fish. Vegetables should be bright—carrots, broccoli, peas, green beans.

NEW LAW AFFECTS YOUTHFUL DRIVERS

SACRAMENTO — (CNS) — Teenagers applying for their first driver's license are advised by the department of motor vehicles to bring proof of age with them.

Proof of age is required under a new law which just became effective, setting 18 as the minimum age for driver's license. Only exceptions will be those 16-year-old applicants who have proof they have completed a driver education and training course.

Another new law requires that photographs on driver's licenses of persons under 21 be taken in the profile, so as to prevent alteration of the licenses to show a false age.

The DMV said a birth certificate, baptismal record, transcript of school record, armed forces documents, foreign driver's license, or passports or visas will be acccepted as proof of age. The department also will ask applicants of all ages for their social security number, if they have one, to strengthen the validity of the identification.

Health Better—

A. E. Burlingham returned home from the Veterans Hospital at Reno, improved in health, his friends were pleased to learn.

In the men's handicap low gross, Howard Martin of Tahoe City was first with 77 and Angelo Besio of Truckee trailing with a 79.

Al Lopez of Chico won the low gross among the Rotarians with 79 and Harold Tiller of Incline had a 79 for low gross among the non-Rotarians.

ROY BAKER HONORED AT PARTY BY FRIENDS

Donner Lake neighbors and friends gathered at the home of Carson White September 24 to welcome high school librarian Roy Baker back from his extensive trip behind the Iron Curtain.

Russian folk music served as suitable background for the evening cocktail party.

Guests were offered cigarettes made in the Soviet Union and discovered that they are one-third tobacco and two-thirds filter. Mr. Baker mentioned that Russia has as many if not more different brands of cigarettes than we have and that the people over there are very conscious of lung cancer.

Attending the colorful affair were: Roy Baker, Mr. and Mrs. Les Hadley, Mr. and Mrs. Jack Marquette Mrs. H. M. Horton, Mrs. Marcella Corro, Mr. and Mrs. Harry Weiler, Mr. and Mrs. Scott Kraig, Jim Carpenter, Mr. and Mrs. Kenneth Ross, Dick Swanson, Mr. and Mrs. Daven Morey, Mr. and Mrs. Sky Miles and Mr. and Mrs. Carson White.

MARTIS MENTIONED FOR FEDERAL FUNDS

SACRAMENTO — (CNS) — Inclusion of $187,508,000 in the 1966-67 federal budget for flood control and reclamation projects in California was urged today by Governor Edmund G. Brown.

The governor said that while this amount is the largest ever requested, the storms of last December demonstrated the need for more expenditure.

Among the projects for which funds are requested is Martis Creek reservoir, $500,000.

STATE PROJECTS TO BE OFFERED IN BIDS

SACRAMENTO — (CNS) — The state office of architecture and construction announced it will call for bids for $85,221,417 worth of projects throughout the state during the remaining nine months of the current fiscal year.

This will include $57,119,245 worth of work in northern California and $28,102,172 for the southern counties.

From Bay—

Mr. and Mrs. Robert Keller and children, Michael and Christine of Novato and Mrs. Donald Harris of Corte Madera have been staying at Gateway Motel while visiting the Walter Barrett and Robert Leamon families and taking in points of interest in the area.

Doug Barrett of Sacramento also stopped briefly on a business trip.

INCLINE GOLF MEET HAS BEEN DELAYED

INCLINE VILLAGE—Due to a conflict of tournaments involving many of the more talented amateurs in northern California and Nevada, it has been deemed advisable to pospone the Incline Village invitational pro-amateur golf tournament.

The idea of the tournament, scheduled September 30-October 1, was well received by PGA professionals and 36 had submitted their entries. However, the conflict with amateur tourneys prompted the decision to postpone.

Just when a new date can be set for the tournament is dependent upon the availability of professional players.
